Subject	Reminding investors to analyze Information
Company name	NFC PUBLIC COMPANY LIMITED (NFC)
Description	<p>As NFC Public Company Limited (NFC) has presently requested the SET for approval to remove the causes of possible delisting and resume its securities to be traded on The Stock Exchange of Thailand (SET). According to SET has announced that NFC has been subject to the possible delisting from 6 June 2003 onwards due to the company's financial statements for the year 2002 showed a minus shareholders' equity and the auditor did not express an opinion for 3 consecutive years. Therefore, the SET removes the causes of possible delisting of NFC's securities by lifting "SP" (Suspension) and resumes its trading on SET under Industrials Industry in Petrochemicals & Chemicals Sector from 15 June 2018 onwards. In addition, SET will temporarily lift the daily price limit of NFC's securities on 15 June 2018 to allow the market mechanism to work properly (Details as shown on SET's news on 6 June 2018) However, the latest price of securities might not reflect the securities' actual value at the present. SET requests shareholders and investors to scrutinize NFC's information before making an investment decision.</p>
