Subject: New investment of wind project in Vietnam

To: President of the Stock Exchange of Thailand

Banpu Public Company Limited (“Banpu”) would like to inform the Stock Exchange of Thailand that its subsidiary Banpu Power Public Company Limited (“BPP”) had been notified that BPP has successfully establish its presence in Vietnam renewable market by investing in first Wind project in Vietnam with the total secured capacity of 80 MW located in Soc Trang province. The project consists of 3 phases, phase 1 of 30 MW, phase 2 of 30 MW and phase 3 of 20 MW.

The first phase of 30 MW has received Investment Registration Certificate (IRC) from Department of Planning and Investment (DPI), currently under feasibility study and expect to achieve Commercial Operation Date (COD) within 2020, while the remaining 2 phases expect to achieve COD within 2021.

BPP will continue to seek investment opportunities in conventional and renewable power projects to achieve growth target of 4,300 MW in 2025 by focusing on markets with attractive growth and supportive government policy.

Please be informed accordingly and kindly disseminate the information herein to investors.

Sincerely yours,
