

No. CEO-130/2020

March 30, 2020

Subject: The measures of work from home

To: President
The Stock Exchange of Thailand

In light of the current outbreak of the Coronavirus Disease 2019 (COVID-19) and the rising number of infections, SPCG Public Company Limited (the “**Company**”) is aware of the health and safety concerns of the employees and has been continuously monitoring the situation. The Company has enforced measures of working from home which will be effective from March 30, 2020 to April 12, 2020 to reduce the risk of virus transmission. In this regard, the Company has been preparing for the COVID-19 situation by utilizing digital technology. The Company assure that activities and operations will be operated with normal efficiency and would not affect to any business operations.

The Company has complied rigorously with the Ministry of Public Health’s control measures including implementing a policy to restrict all international travel and provincial for all employees. In addition, the Company has continually disinfected all premises including its head office.

Please be informed accordingly.

Yours Sincerely,

(Dr. Wandee Khunchornyakong Juljarem)
Chief Executive Officer
