16th July, 2020

Subject: Progress notification of the first Automated People Mover (APM) train arrived in Thailand.

Attention: Director and Manager,
The Stock Exchange of Thailand

As to the company Interlink Communication Public Company Limited has won the bidding for the Procurement and Installation of Automated People Mover (APM) under Suvarnabhumi Airport Development Project (fiscal years 2011-2017) of Airports of Thailand Public Company Limited., total Contract Value of Baht 2,099,900,000 (Two Thousand Ninety Nine Million and Nine Hundred Thousand Baht). The company has hired Siemens Mobility Company Limited from Austria in providing Automatic People Mover (APM) trains for connecting passengers between the main terminals and the Satellite 1: SAT-1, a total of six trains (twelve bogies)

At present, the first Automatic People Mover (APM) train (two bogies) has finally arrived at Laem Chabang Port. Chonburi province, Thailand on July 14, 2020. The company will gradually deliver five more trains and the IRTV Consortium is responsible for installing APM trains with a value of Baht 900,000,000 baht (Nine Hundred Million Baht). All six trains are expected to be tested and be ready for use in the year 2021 onwards

Please be informed accordingly.

Yours faithfully,

(Mr. Sombat Anuntarumporn)

President and Managing Director
