
SET asks investors to study information about "Tender Offer with respect to all securities of MK" through FNS's news

Finansa Public Company Limited (FNS) has disclosed the information to the SET that FNS's Board of Directors approved to propose to the Extraordinary General Meeting of Shareholders to consider and approve the investments in M.K. Real Estate Development Public Company Limited (MK) by purchasing not exceeding 892,578,048 MK's shares from the rest shareholders other than FNS at the price of not exceeding 3.10 Baht per share, totaling value not exceeding 2,766,991,949 Baht. The share acquisition shall be made through the Tender Offer which is subject to the Condition Precedent in receiving the approval from FNS's shareholder meeting to acquire MK's shares.

Therefore, SET advises the investors to study information via FNS's news on September 28, 2020 through www.setsmart.set or www.set.or.th
