Subject: Semiannual report on Free Float rectification

To: President
The Stock Exchange of Thailand

Ref: The company's letter No.Exc.18/2021 dated May 27, 2021

Following the company's letter providing a progress report on a rectification of the company's insufficient free float, detailed in reference item. We are determined to timely rectify the condition in order to fully comply with SET free float requirement, and that the consideration of most appropriate rectification measures is underway.

You will be immediately informed once we have reached a conclusion.

Sincerely yours,

- Chairat Panthuraamphorn-
