RATCH 070/2022

14 February 2022

Subject: Commercial Operation of Riau Combined-Cycle Power Plant
in the Republic of Indonesia

Attention: President of the Stock Exchange of Thailand

As RATCH Group Public Company Limited (the “Company”) has already report to the Stock Exchange of Thailand regarding the investment in Riau Combined-Cycle Power Plant Project with the installed capacity of 296.23 megawatts in the Republic of Indonesia, through PT Medco Ratch Power Riau (an indirect joint venture that the Company held a 49 percent stake through RH International (Singapore) Corporation Pte. Limited).

The Company would like to report that, on 11 February 2022, PT Medco Ratch Power Riau has received the official confirmation of Application for Commercial Operation Date from Indonesian State Electricity Company (PT PLN (Persero)) which approved that the Riau Combined-Cycle Power Plant has started the commercial operation since 10 February 2022. As a result, the Company immediately recognized the income.

Please be informed accordingly.

Sincerely yours,

(Miss Choosri Kietkajornkul)
Chief Executive Officer
