RATCH 228/2022

12 July 2022

Subject: Notification of the Judgment of the Court of Appeal for Specialized Cases

Attention: President of the Stock Exchange of Thailand

The Central Intellectual Property and International Trade Court issued a judgement to dismiss the civil case between Thai-Lao Lignite Company Limited (the “Plaintiff”) and RATCH Group Public Company Limited (the “Company”) on 30 September 2020, based on the rationale that the information claimed by the Plaintiff had already ceased to be trade secrets. Therefore, the Plaintiff was no longer considered as the owner of such trade secrets, according to Red Case No. TorPor. 121/2563. In this regard, on 24 February 2021, the Plaintiff filed an appeal against such judgement with the Court of Appeal for Specialized Cases.

On 12 July 2022, the Central Intellectual Property and International Trade Court read the Court of Appeal for Specialized Cases’ judgement, of which the Court of Appeal upheld the Central Intellectual Property and International Trade Court’s judgement to dismiss the Plaintiff’s plaint. The Company has no responsibility to the above legal dispute in the Court of Appeal.

Please be informed accordingly.

Sincerely yours,

(Miss Choosri Kietkajornkul)
